

I, _____ (name), am a parent/guardian of a child that attends Quran classes at Masjid Hamza. I promise to abide by and remind my child(ren) of the following rules and regulations:

- I will not leave my child unattended at the Masjid and will take him/her home immediately after he/she is finished with classes.
- There is no ball playing of any sort in the parking lot. I will stop my child if I see him/her engaging in this activity. (A number of cars, including Masjid property has been damaged.)
- I will drive extra slow and cautiously while in the Masjid parking lot. I understand children are running around and may be hiding behind my vehicle.
- I will speak to my child from time-to-time about following the etiquettes of the Masjid. (They are only children, and need our reminders.)
- I will speak to my child about always putting their shoes in the shoe racks.
- When you pick up your child, please insure they have their Quran and all clothing items they came to the Masjid with.
- I will not socialize with teachers or other parents while around the students. I understand this is distracting for the students as well as the teachers.
- I will not bring scooters, bicycles or other similar items to the Masjid parking lot. I understand they can be the cause of injuries and damage to cars.
- I will insure that my child(ren) attend class as frequently as possible and are prepared to recite the homework they are given.
- I'm aware all announcements and alerts pertaining to Quran classes are made through our text messaging service. I can subscribe by texting the word HAMZA to the number 33733.
